McPherson Co. said to contain 1200 voters, which represent it is stated 900 heads of families or nearly (probably 80% of the whole). Two thirds are Germans or Russian Germans. The abandoned places of which there are many were taken up largely by Americans, a considerable proportion are single men. Those settlers engaged in grain growing have become poor, those who have gone into stock are said to be doing well. Population estimated not to be more than 50% of what it once was; but is now holding its own, possibly gaining slightly. highest crop of wheat 28 bush. lowest 5 bush. Average for 12 years 10 bush. this year's crop 8 to 15 bush per ac. Creamery started at Leola. product sold in Minneapolis & Philadelphia. Water obtained at from 10' to 60'. some of it carries considerable alkali —

Hard coal deliv'd
$9.00 per ton
Soft $7.75
